

2025 Annual Sponsorship Opportunities

This program demonstrates an investment in the mission and goals of the chamber. In return, sponsors will receive recognition and benefits throughout the year resulting in:

- Increased visibility
- Expanded connections with business leaders
- Business Growth
- Strengthened customer relationships
- Business community investment
- Falls Church community engagement
- Enhanced web presence

Annual sponsorships are a mutually beneficial way in which to support the Chamber while receiving promotional benefits throughout the year for an individual business. This includes tickets to events, both virtual and live.

Sponsorships, which are responsible for almost 20% of the Chamber's income, enable the Chamber to advocate for business interests, provide programs and networking opportunities, and promote members, while maintaining a dues structure that is financially feasible for our small independent business community.

This package outlines information on the Chambers' Annual Sponsorship Packages. Event sponsorships for the Gala and Family Fun Night are also available.

For more information, contact Elise Neil Bengtson at elise@fallschurchchamber.org or 703-532-1050.
